

An aerial photograph of a small motorboat moving across the surface of the ocean. The boat is positioned at the top center of the frame, leaving a wide, white, circular wake that spirals outwards, resembling a large 'C' or a ring. The water is a deep, vibrant blue, and the white foam of the wake contrasts sharply with it. The boat itself is small, with a white hull and a blue stripe.

Why join the membership?

If you are a sea lover and are one of those who like to sail several times during the year, do not hesitate to join. Being a member will guarantee a more affordable summer with us, much easier, adapted to your needs and will grant less waiting time.

Just the last minute Sunset itself included in each membership, has a much higher value than the annual fee.

In addition, you will have access to many other extras and discounts (sunset extension, donut or paddle surf, etc.) that will make the enjoyment of each of your boat trips much greater.

Enjoy an easy summer without waiting! Your time is money. Forget about queues at gas stations or waiting at check-in.
